# DAY 1

## SADA MARINA

The shelter this estuary provides and the possibilities of navigation throughout the year make this port one of the preferred by lovers of sailing and water sports. The sports dock, the largest in all of Galicia and one of the best valued in the North of Spain, offers all kinds of nautical leisure services. Enjoy the views of the estuary from the seaside district of Fontán, located in the upper area of the harbour. In addition, do not miss the opportunity to embark and sail among the wooden platforms of mussel farming and the cultivation of algae of the estuary. If you get lucky, dolphins who regularly frequent these waters will accompany you!

**Interesting facts:** Avda do Porto, S/N, 15160 Sada, A Coruña.

HISTORIC CENTRE OF  
BETANZOS

The historic town of Betanzos has an extensive industrial heritage, as the old slaughterhouse, a curious building built in 1901 and that was in operation until the early 1970s. Today it has been rehabilitated as a Civic Center. We can also point out the nearby metal bridge of the railway line Betanzos-Ferrol, as well as some remains of old factories of light or the curious hops dryer platform, which is abandoned to this day.

 **Interesting facts:** Villa de Betanzos, 15300 Betanzos, A Coruña. More information:

Distance to the next point of visit: 1 km

e

## ANAROSÉTÓN

This goldsmith, located in the historic centre of Betanzos, is famous for its well-known collection of Romanesque Galician rosettes, as well as for its Chestnuts Rosary (made in copper, and reproduces the Rosary of cooked chestnuts that children wore hanging around the neck on November 1, All Saints Day), and the amulet of the Chestnut of Envy. The pieces are mainly made in sterling silver, and follow the traditional methods. Visit it and you will see how the items that have surrounded you during your trip can become jewels!

**Interesting facts:** Rúa dos Prateiros, 22 Bajo, 15300, Betanzos, A Coruña.
